Add a product to the cart. 6. Complete the checkout process. 7. Make a successful payment. 8. Observe that the confirmation page is not displayed	High	Critical

Status	Created By	Assigned To	Screenshot
New	Kuldeep Sharma	Raghavendra BN	 The screenshot shows the Amazon account creation interface. At the top is the Amazon logo. Below it is the heading "Create account". There are four input fields: "Enter mobile number or email" with the value "rt7299819943@gmail.com", "Your name" with the value "rajat", "Password (at least 6 characters)" with masked characters "*****", and "Re-enter password" with masked characters "*****". A yellow "Verify email" button is below the password fields. A message states "Passwords must be at least 6 characters." Below the button, there is a link "Already a customer? Sign in instead". At the bottom, a small text says "By creating an account, you agree to Amazon's Conditions of Use and Privacy Notice."
New	Kuldeep Sharma	Raghavendra BN	 The screenshot shows the "Payment method" section of the Amazon account. It has the heading "Payment method" and a sub-heading "Your available balance". Below this, there is a radio button next to "Amazon Pay Balance ₹0.00 Unavailable". A message says "Insufficient balance. Add money & get rewarded". At the bottom, there is a text input field labeled "Enter Code" with a plus icon on the left and an "Apply" button on the right.
